

Autumn - Nursery Take Away Task

As part of our Home/School learning children have the opportunity to continue and extend their learning by working on a project at home.

This term our topic is '**What Makes Me Marvellous?**' and part of our learning will be focused around **feelings and colours**. We hope that the whole family will be able to enjoy participating in a home project on this theme.

You may present your final project in any form you choose...

Some ideas to start you off:

- 'Things that make me happy' collage
- Painting a family portrait
- Collecting items of your favourite colour
- A photo montage
- Make a colour monster

Or anything else you like!

The possibilities are endless and we look forward to seeing the final results.

Thank you for your support and cooperation.
