

Reception Take Away Task Autumn

This term our learning is based around celebrations!

It would be great if you could share what celebrations are important to you,
your family and community.

You could:

- Make a poster about a celebration
- Make a photo collage of a celebration
 - Make a video for Tapestry
- Make something, eg a lantern for Diwali, a collection of autumn leaves and conkers to celebrate nature

Tasks should be brought into school the week of 4th November (after half-term).

We can't wait to see your creations!
