

Year One Take-Away Task

UK Weather and Seasons

This term in year one we are learning all about the weather and seasons in the UK.

Your task is to make a weather display.

You could:

Keep your own weather diary or weather chart

Make your own weather station

Label a UK map with weather symbols

Make a display of how the weather changes across the seasons -

Spring, Summer, Autumn and Winter

Video your own weather report and share on Tapestry

Write a report on extreme UK weather

Or come up with your own weather idea!

You can share your take-away task on Tapestry or bring into school after the half term on any day from the 2nd November.

Have fun! I can't wait to see your wonderful creations.

Miss Ratcliffe
